

DESCRIPTION:

Blake & Thickbroom are delighted to present this individually designed Potton-built family home, occupying a substantial and well-maintained plot within the highly sought-after village of Thorpe-le-Soken.

The property offers in excess of 2,400 sq. ft. of versatile accommodation arranged over two floors, providing generous living space ideal for modern family life. Set within a sizeable, carefully kept plot, the home enjoys both privacy and practicality in equal measure.

Conveniently located within walking distance of the village High Street, residents benefit from a variety of eateries, public houses and local shopping facilities, while also falling within a favoured school catchment area, making it particularly appealing to families.

Further highlights include solar panels with a 9.5kWh battery storage system, offering improved energy efficiency and reduced running costs.

A viewing is highly recommended to fully appreciate the quality, space and setting of this exceptional home.

DIRECTIONS:

PROCEED FROM: Clacton's town centre on the A133 London Road. Upon reaching the roundabout (fire station on left), take the second exit onto the bypass. At the second roundabout take the third exit on the right hand side signposted towards the village of Little Clacton. Proceed through the centre of Little Clacton for approximately 1.5 miles, turning right at Plough Corner into Harwich Road. Proceed along Harwich Road for approximately 2 miles, down the hill, under the railway bridge, passing Thorpe le Soken railway station on left. Turn left at junction, proceed straight across mini roundabout into Thorpe le Soken High Street , past Tesco store ,turning right into New Town Road. Proceed along the private road, left into St Michael's Road and the property will be found on the right hand side.
