

DESCRIPTION:

"A HOME WITH A VIEW ".
Brand new detached family home forming part of a small private development backing onto the local village church, which we understand dates back to the 14th century. The development is situated within the heart of this unspoilt village which offers amenities including the "Red Lion " public house and village stores. There is also excellent main road access to neighbouring villages and town centres including Thorpe le Soken and Frinton on Sea both offering an array of shopping facilities and main line railway. An internal viewing is highly recommended to appreciate the quality of the construction of this home and peaceful location.

DIRECTIONS:

PROCEED FROM: Clacton's town centre along the seafront along Marine Parade East for approx one mile leading into Kings Parade. Proceed to the end of Kings Parade, bear right at the roundabout signposted B1032 Frinton & Walton Road. Proceed across the marches through the village of Gt. Holland for approx 3 miles under the railway bridge, bear right at the mini roundabout, immediate left at the next mini roundabout into Halstead Road. Proceed along Halstead Road for approx one mile.
